

## PRE-CONGRESS WORKING GROUPS INFORMATION FORM

**Working Group Name:** Child Death Review

**Description of Working Group:**

By enabling countries that have not yet implemented the Child Death Review (CDR) System to learn from the experiences of those that have, this Working Group aims to promote the implementation of CDR worldwide.

---

**Room Set Up:**

In the morning; theatre-style setup  
In the afternoon; cabaret style setup

**AV Requirements:**

Projector, Screen, 2 or 3 Microphones, Laser Pointer

---

**Draft Schedule:**

In the morning; Symposium Introducing CDR Systems in Australia, the U.S., the UK (particularly Wales), and Taiwan

In the afternoon; Participants will be divided into several groups to practice conducting Mock CDR meetings, using case studies of a death from Abusive Head Trauma in Infants and Children (AHT) in the United States, a death from asthma with concerns relating to neglect in the United Kingdom, and a suicide case in Japan. Groups will review cases using different review formats from UK, Australia and USA.

---
