ISPCAN PROUDLY PRESENTS – NEW OPEN ACCESS JOURNAL

**We are bringing data to action with
this new practice-based journal
focused on solutions and outcomes
for children.**

Working at the interface of academics and the field, the new journal brings multi-sectoral child protection and child safeguarding research and practice into constructive and collaborative dialogue.

Our goal is to facilitate innovative solutions to complex public policy and service challenges and promote a shared global knowledge and evidence-based prevention and response agenda.

NEED HELP SUBMITTING YOUR ARTICLE OR PROGRAM TO THE CPP JOURNAL?

If you are interested in contributing to the new journal and have questions, please reach out to:
