

The ISPCAN International Handbook of Child Abuse and Neglect

Table of contents, 7 October 2026

	Foreword	Aby Casas & Pragathi Tummala	
1	Global perspectives: Introduction to the ISPCAN International Handbook of Child Abuse and Neglect	Kevin Lalor, John Fluke, Shanta Dube, Carmit Katz & Pragathi Tummala	
Part 1: Global Perspectives: Surveillance, Risks and Consequences of Child Maltreatment			
2	Keeping the promise: Investment in child protection and wellbeing as a key accelerator for achieving the sustainable development goals	Najat Maalla M'jid	
3	Polycrisis, pushback and possibility: The relevance of the UN committee on the rights of the child	Philippe Jaffé & Mané Kocharyan	
4	Enhancing country-level monitoring to obtain valid and reliable global estimates of childhood abuse	Claudia Cappa, Colleen Murray & Nicole Petrowski	
5	Child abuse and neglect: An international public health perspective	Berit Kieselbach & Stephanie Burrows	
6	Violence against children and youth surveys: Lessons learned and future directions	Ashleigh L. Howard, Constanza Ginestra, Laura F. Chiang, Manuela Balliet Ahogo, Christine Hart, Shanta R. Dube	
7	Understanding risk and protective factors for child abuse and neglect	Chris Wekerle, Ante Cuvalo & Tracie Afifi	
8	Mental and physical health consequences of child maltreatment	Cathy Widom & Kellie Courtney	
Part 2: Contextual and Environmental Factors			

9	Climate change and violence against children	Daniel Helldén, John Fluke & Ketil Lenart Hansen	
10	The global shift from corporal punishment to positive discipline	Joan Durrant	
11	Female genital mutilation/cutting and child marriage: Applying a political economy lens to understand and address two intersecting phenomena	Chi-Chi Undie, Dennis Matanda & Tamsin Bradley	
12	Child maltreatment in religious contexts: Epidemiology, risks, consequences and prevention	Andreas Jud, Gabrielle Hunt & Daryl Higgins	
13	Safeguarding in sports against child abuse and neglect	Rocco Briganti, Paul Stewart & Pragathi Tummala	
Part 3: Understanding Different Forms of Abuse			
14	Neglected children: An overview for clinicians, researchers and policy makers	Howard Dubowitz, Julia M. Kobulsky & Mayada Karkawally	
15	Sexual exploitation and abuse of boys: Global Majority perspectives	Mark Kavenagh, Jennifer Schatz & Lattapol Jirapathomsakul	
16	Labor and sex trafficking of children and adolescents	Jordan Greenbaum	
17	Responding to the challenges of technology-facilitated child sexual exploitation and abuse in low- and middle-income countries	Bernadette Madrid	
18	Child maltreatment fatalities and lessons from CDRs	Fujiko Yamada, Shanaaz Mathews & Vince Palusci	
19	Childhood emotional abuse: An overdue public health priority	Ben Mathews and Shanta Dube	
Part 4: Regional Spotlight and Groups at enhanced Risk			

20	European responses to violence against children	Agnes Von Maravic & Mireya García de Murcia	
21	Driving change in Far East Asia child protection systems through collaboration	Patrick C.H. Cheung, Grenville Cross, Kayoko Ito and Gracia Goh	
22	Child abuse in the Gulf Cooperation Council (GCC): Evolution of child protection	Maryam Ehsani & Hanan Alshaikh	
23	Implementing community-wide parenting support: A case example from South Africa	Wilmi Dippenaar, Catherine L. Ward & Chandré Gould	
24	Violence against children in street situations	Michael Goodman, Shanti Raman & Kevin Lalor	
25	At the margins of care: Systemic failures and violence against LGBTQ+ youth in the child protection system in three European countries	Mónica López López & Willem J. Stander	
26	Building a global commitment to children in conflict and crisis: A historical trajectory of child protection in humanitarian action	Hani Mansourion & Elena Giannini	
27	An invisible problem: Global perspectives on violence, abuse and neglect of children with disabilities	Mary Wickenden & Gavin Adam Wood	
28	Schools and teachers as drivers of violence against children (VAC) in Africa	Janeth Kigobe, Faustine B. Masath, Joseph Ssenyonga, Emmanuel Nyarko-Tetteh, & Tobias Hecker	
29	The abuse of children in residential alternative care	Hans Grietens	
Part 5: Intervention and Prevention Strategies			

30	Evidence-based treatment for children and adolescents who have experienced child maltreatment	Elisabeth Pollio & Esther Deblinger	
31	Collaborative approaches to responding to child abuse: The CAC and Barnahus approaches	Abbie Newman & Olivia Lind-Haldorsson	
32	Decision making through assessment in systems of protection	John Fluke & Roberta Ruggiero	
33	Medical assessment of child maltreatment: Methods and considerations	Gaby Otterman & Dena Nazer	
34	Toward a global standard: Cornerstones for training in child maltreatment	Carmit Katz, Ma'ayan Jacobson & Pragathi Tummala	
35	Innovating child maltreatment prevention: Challenges ahead	Beth Molnar & Megan C. Souza	
Part 6: Future Directions and Innovative Approaches in Addressing Child Maltreatment			
36	Digital risks to children and exploitation pathways: Findings from the N-Light and GroSafe projects	Susan McKeever, Luis Miralles & Christina Thorpe	
37	Illuminating the unseen: A case study of Childlight, global child safety institute	Zoe Lambourne, Diala Nseir, James Stevenson, Sabrina Page, Ashleigh McFeeters, Doug Marshall & Deborah Fry	
38	Your story matters: The impact of lived experience on service policy, design, and delivery	Afnan Attrash-Najjar, Sabine Andresen, Kaitlyn Ender Krueger, Richard Krugman, Anat Ofir & Carmit Katz	

39	Ethical aspects of research on child abuse	John Fluke, Mijntje ten Brummelaar, Emmaline Houston & Kevin Lalor
